

The background of the cover is a photograph of a large, multi-story stone building with a prominent square tower. The tower has several windows and a decorative top. In the foreground, there are several trees with pink blossoms, likely magnolias, and a lawn covered with fallen pink petals. The sky is blue with some light clouds.

# Office of Career Services

Five Year Follow-Up Survey

Class of 2005

Ohio Wesleyan University

The Office of Career Services annually conducts a follow-up study on the graduating class from the previous year. Periodically, Career Services conducts a follow-up survey of the classes who have graduated 5 and 10 years out. In doing so, we gain significant insight into the career development trends of Ohio Wesleyan graduates.

This report presents information with regard to three areas for the class of 2005:

1. Summary Data
2. Employment Information
3. Graduate/Professional School Information

This report may provide useful reference for administration, faculty, staff, parents, alumni, prospective OWU students and families, and campus partners interested in the career-related statistics of our graduates. Methods used to collect data from participants include postal mailings, email, and surveys collected during reunion weekend.

Noteworthy findings...

- 59% have completed or are currently enrolled in graduate degree programs
- The top three fields of employment for this class are (in order): Education, Business, and Government
- 89% are employed in their field of choice
- 74% report current job related to their OWU major

If you have any questions, please contact Career Services at (740) 368-3152.

Please note that identifiable information with regard to this report is strictly confidential.

We sincerely hope that you find the results of this survey interesting and informative.

Sincerely,

Leslie J. Delorme  
Director

Nancy A. Westfield  
Assistant Director
