

### Follow-up Report on the Class of 2010

Career Services annually conducts a follow up study on the graduating class from the prior year. This report contains information on the career-related activities for the Class of 2010. Career Services takes very seriously its responsibilities with regard to following up on the career placement of OWU graduates.

In order to ensure the highest possible response rate, Career Services takes a wide variety of approaches. These include US postal mailings of surveys, repeated e-mail survey requests, phone calls, and surveying seniors before they leave campus each spring at the annual Countdown to Commencement event.

This report presents information with regard to the following areas for the Class of 2010:

- 1. Summary Statistics
- 2. Employment Information
- 3. Graduate/Professional School Information

As always, it is our hope that this report will serve as a useful resource for administration, faculty, staff, students, parents, alumni and prospective OWU students and their families.

### Current status of the Class of 2010 is as follows:

57% report being employed

30% report being enrolled in a full-time graduate/professional school program

6% report being employed in addition to being enrolled in a graduate or professional school program
