

Alumni Award

Ardyce Reisner Asire

Class of 1953

Ohio Wesleyan University is pleased to present an alumni award to Ardyce Reisner Asire Class of 1953.

Over a number of years, Ms. Asire has given continuous support to Ohio Wesleyan's fine arts department. Her generosity has made possible the purchase of several prints, drawings, and photographs for the department. She has also recently lent a collection of 54 framed prints to Ohio Wesleyan.

The addition of these items has greatly enhanced both the educational capability and the market value of the art department's teaching collection.

Ms. Asire's contributions towards maintaining and improving the quality of the fine arts collection at Ohio Wesleyan benefit not only fine arts majors, but the university community as a whole. We all join in thanking her for her role in assuring the continued excellence of the Ohio Wesleyan educational experience.
