

EARLY DECISION AGREEMENT FORM

The National Association of College Admission Counselors (NACAC) defines Early Decision as “the term used to describe the application process in which a commitment is made by the student to the institution, that, if admitted, the student will enroll. Only a student who can make a deliberate and well-reasoned first choice decision should apply under an Early Decision plan because the institution will require a nonrefundable deposit before January 4. Ohio Wesleyan requires that the application include parents and counselor signatures in addition to the student’s signature indicating an understanding of the Early Decision commitment.

_____ (Student Name) is applying to:
OHIO WESLEYAN UNIVERSITY under the Early Decision plan. We have discussed the commitment for this student to attend should admission be offered under this plan. We also have discussed financial aid needs that could have an impact on attendance. Furthermore, the student agrees, if admitted, to withdraw all other applications and make no subsequent applications, unless released from this Early Decision commitment by the college.
