William E. Farragher

Class of 1949

It is a privilege to present William E. Farragher, class of 1949, with an Ohio Wesleyan Alumni Award.

Mr. Farragher has served the alumni body as president of the Mahoning Valley Alumni Association, and for eleven years on the Alumni Association's Board of Directors as alumni director, then in succession as vice president, president, and past president. In those capacities, his leadership has been characterized by astute foresight and generous enthusiasm. With his personal warmth and affection for the University, he has encouraged closer relations between the Ohio Wesleyan board of trustees and the Alumni Board, resulting in increased benefit to the University as a whole. He has been instrumental in the development of many innovative additions and refinements in alumni activities, services, and communications, including the widely recognized "learning tree" logo for Ohio Wesleyan's Summerweek program.

The University currently benefits from Mr. Farragher's service on the marketing committee of the Ohio Wesleyan Board of Trustees. Here, his experience in public relations and as a leader and member of the alumni body, aid in efforts to reassert the importance of the liberal arts experience.

For his years of support and guidance, the Ohio Wesleyan Alumni Association salutes William Farragher.
