

Alumni Award

Frank J. Prout

Class of 1906

Mr. Prout has exemplified the ideals of his college in his fifty years as an alumnus. As a teacher, principal and superintendent of schools, he has recommended well qualified students to his college. While president of another university, he continued his interest in alumni affairs and responded to every request for aid. He has left a well-earned retirement to accept full responsibility as the president of his college. He has carefully and wisely administered its affairs. He is respected by faculty and alumni and honored and greeted by students, many of whom he knows as friends. Giving no thought to his own comfort, Mr. Prout has done what needed to be done and has earned praise and recognition of fellow alumni. No one could better deserve the Alumni Award of Ohio Wesleyan than its alumnus, friend and interim president, Frank J. Prout.
