

# OHIO WESLEYAN SENIOR FINE ARTS MAJORS 2020

## INTENT TO PARTICIPATE Agreement

**DUE: 12/6/2019**

---

I understand that I am exhibiting artwork for the 2020 Senior Fine Arts Majors exhibition, and will meet deadlines assigned for the delivery of documentation, text and artwork. I understand that I am loaning this artwork at my own risk. I understand Ohio Wesleyan does not provide insurance for student artwork on exhibition. If I wish to insure the artwork, it is my responsibility to do so.

I agree that a Ross staff member will handle the installation of all artwork submitted, unless special installation situations are mutually agreed upon by myself and a member of the museum staff. If the situation calls for the installation to be done by the artist, I understand that I am installing in the museum at my own risk.

I understand that the artwork I am submitting must be delivered and picked up within the date and time parameters set by the Ross staff, and that the Ross will not be responsible for artwork that is presented or left beyond those dates.

I understand that the Ross museum will provide reasonable security measures for the exhibit. The museum accepts no responsibility for damage to, or loss of, art pieces at any time while in the museum or while being transported to or from the gallery. The University does not provide insurance for student artwork on exhibition.

I have read agree to the terms and conditions of the 2020 Senior Fine Arts Majors exhibition.
