

OWU Connection Programs Small Grant Program Application Form

Name:

Email:

Cell phone:

OWU ID:

Class level (FR, SO, JR, SR):

Major (s):

Amount of funding requested:

Date that funding is needed:

Title of project:

Upper-level coursework directly associated with this proposed Small Grant (*e.g.* BOMI 490, SP/19):

Faculty with whom you are working on this proposed Small Grant Project:

Attach the following items to this completed Small Grant Application Form and then drop into one of the OWU Connection / IOCP gray lock-boxes in Merrick Hall or in HWCC (2nd Floor, northeast corner) or, alternatively, scan and email to djalbon@owu.edu. Applications that are incomplete (including missing signatures) will be rejected.

- A brief explanation of your project including an explanation of its connection to coursework.
- A detailed budget and an explanation of use of funds.
- A copy of your current un-official OWU transcript from Self-Service.
- If you have applied for and/or received funding for this proposed project before, provide a detailed explanation.
- If you have already received funding for any part of this proposed project, explain why you need additional funding.

Research projects involving human subjects requires Institutional Review Board (IRB) approval.

Research projects involving animals requires Institutional Animal Care and Use Committee (IACUC) approval.

Student Signature: _____

This signifies that student agrees to submit written reflection upon completion of project and comply with other requirements.

Signature of Participating/Supervising Faculty Member: _____

Signature of Department Chair or Program Director: _____

This signifies that the applicant is majoring in your department/program and that the project is relevant to your discipline. This may, at the Chair/Director's discretion, include students that have not declared a major but are working toward a major.
