

Alumni Award

Duncan A. White, Jr.

Class of 1954

This Alumni Award recognizes Duncan White for four decades of significant support of Ohio Wesleyan in an infinite variety of ways.

In the late 1950s he was class agent, paving the way for many years of successful fund raising by his class. He continued his fund raising efforts in Columbus and in Cincinnati throughout the next few decades and most recently chaired the Sesquicentennial Capital Campaign in Cincinnati in 1991-92.

Throughout the years, he has both chaired and served on the Class of '54 reunion planning committee.

During the last 15 years, he has been a tireless alumni admission representative.

Duncan and his wife Nancy (White) have been a part of nearly every alumni event that has taken place in Cincinnati, since moving there 32 years ago. He has helped organize the annual alumni and incoming student picnic each summer, hosted the reception for Cincinnati area alumni to meet David Warren and most recently conceived, planned and orchestrated an entire weekend of activities for a Suitcase Seminar in Cincinnati.

Duncan has approached every volunteer task set before him with unbounded enthusiasm. It is a pleasure to join his reuniting classmates in saluting Duncan White and to thank him warmly and publicly for consistent, thoughtful and dependable volunteer service to Ohio Wesleyan.
