

Alumni Award

H. Lee Williams

Class of 1989

It is with great pride and pleasure that we present the first Young Alumni Award to H. Lee Williams, Class of 1989.

In just the five short years since Lee's graduation, he has continued to demonstrate the qualities which, during his undergraduate days, earned him the Interfraternity Council Trophy for exemplary leadership and contributions in the Ohio Wesleyan Greek community and the designation of Wesleyan Winner for outstanding school citizenship and community service.

While still a student, his class elected him graduating class trustee, a position he held for three years after graduation. During his term he served on the Student Affairs and Marketing committees.

In 1991 he was persuaded to coordinate the Cleveland Alumni Committee, the largest and most active alumni group in the country. As coordinator, he has guided the committee through plans for the annual Snowball dinner dance, the annual alumni/incoming student summer picnic and a series of alumni luncheons.

In addition, Lee has served as an alumni admission representative, exemplifying the characteristics we all are looking for in future Ohio Wesleyan students.

As he returns to campus to celebrate his first class reunion, we salute Lee and thank him, confident that we can look forward to years of meaningful association with this loyal alumnus.
